

Muenster, 23.06.2014

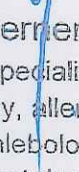

**Certificate**  
for the Cosmetic-Product  
**PELZ 60S Babypad**

**Dermatological test on humans in 2014**

The dermatological test performed by us on your product under the control of dermatological specialists was passed for this product with the rating of

**„very good“**

This product did not lead to toxic-irritative intolerance reactions in patch testing carried out in accordance with international guidelines. The preparation can therefore be declared as dermatologically tested.
